CRP Releases 2014 Rein[®] Automotive Master Catalog

- Features OE-Quality replacement parts for European and Asian makes -

Cranbury, NJ... CRP Automotive, a leading source of OE-quality replacement parts for Asian and European import vehicle applications, has released its 2014 Rein Automotive Master Catalog, featuring over 763 pages of original equipment quality replacement components for European and Asian vehicles. The new catalog includes A/C components, anti-vibration parts, coolant hoses, CV boot kits, suspension components, bearings, bearing kits, and more.

Overall replacement parts coverage extends to a wide range of makes and models from Audi, BMW, Dodge, Freightliner, Hyundai, Jaguar, KIA, Land Rover, Mercedes Benz, Mini, Porsche, SAAB, Volkswagen, and Volvo. For the European makes coverage, many of these products are genuine OE replacement parts.

The new catalog also provides complete product and ordering information, fully illustrated sections and an OE Cross reference (Rein to OE, OE to Rein) for each of the product lines.

Easy Online Lookup

In addition to the 2014 Master Catalog, Rein Automotive parts can be easily found on CRP's online application catalog, which can be accessed through the CRP Rein Automotive brand website, www.reinautomotive.com, or Show Me the Parts, www.showmethethparts.com/crp/.

About Rein Automotive

The Rein Automotive brand offers OE-quality replacement parts and accessories for a wide range of European import applications, including A/C parts, coolant hoses, anti-vibration, and suspension parts, axle boot kits, and wheel bearings and bearing kits.
