

The finest European auto parts you can buy without a passport.

The Rein Automotive line of OE-quality aftermarket parts is growing!

You don't need to travel to Europe to find high-quality auto parts you can trust. Just look for the Rein Automotive name. All of our parts are 100% correct in form, fit, and function — for fewer comebacks and higher customer satisfaction. It's why we call Rein "The European Standard".

AIR CONDITIONING COMPONENTS

The Rein A/C program covers over 294 SKUs for European cars from 1985 to the present, including:

- Condensers
- Evaporators and Evaporator Kits
- Expansion Valves
- Hose Assemblies
- O-rings
- Receiver/Driers
- Switches & Sensors

For your convenience, Rein brand evaporators come pre-charged and complete with an OE expansion valve, saving time and money with every installation by ensuring the system holds pressure.

ANTI-VIBRATION & SUSPENSION PARTS

Over 400 SKUs for a wide variety of European applications, including:

- Camber Struts
- Control Arms
- Engine Mounts
- Strut Mounts & Bushings
- Sway Bar Links
- Tie Rods
- Transmission Mounts

The Rein program includes OE-quality hydraulic mounts for late model imports and the latest applications.

BOOT KITS

Rein Automotive offers over 100 application-specific inner and outer axle boot kits complete with everything needed to do a proper installation. Rein kits even come with OE grease and all the hardware needed, for a guaranteed fit the first time.

COOLANT HOSES

With 363 OE-quality coolant hoses, our complete program covers most late model European applications — and since they're designed to be OE replacements, all branches and thermoplastic fittings are included.

WHEEL BEARINGS & BEARING KITS

Rein stocks a program of bearings and bearing kits for Audi, BMW, Mercedes, Volvo, and VW vehicles back to 1985. Over 55 SKUs are offered, including:

- Clutch Release Bearings
- Driveshaft Support
- Front & Rear Bearing Kits
- Front Hubs

Rein OE-quality kits come complete to save time at installation, and include OE grease.

NEW – FIRST AID

Some automotive parts have a higher failure rate than others. Based on repair frequency rather than product group, our First Aid program contains 90 parts professional repair technicians replace most often.

- Shaped Breather Hoses
- Axle Boot Kits
- Fuel, Oil, Coolant Caps
- Dipsticks & Dipstick Funnels
- Power Steering & Oil Cooler Hoses
- Switches, Sensors & Relays
- Power Steering Fans & Boot Kits
